

Osmocom.org Servers - Bug #3276

502 during cgит rendering of large repo / increase proxy timeout

05/17/2018 12:28 PM - laforge

Status:	Rejected	Start date:	05/17/2018
Priority:	Low	Due date:	
Assignee:	laforge	% Done:	100%
Category:			
Target version:			
Spec Reference:			

Description

accessing <http://cgит.osmocom.org/atmel-asf-projects/tree/> had caused a 502 on first access.

```
14:08 < blackbit> oh. cgит is giving me a 502
14:11 <@LaF0rge> blackbit: which url?
14:12 < blackbit> now it loads again http://cgит.osmocom.org/atmel-asf-projects/tree/
14:26 <@LaF0rge> blackbit: you were probably the first one to open that URL and cgит took too long
to
        render it into the cache
14:26 <@LaF0rge> blackbit: so the proxy timed out
14:26 <@LaF0rge> [it's a rather large repo]
```

History

#1 - 02/13/2021 05:42 PM - laforge

- Status changed from New to Rejected

- % Done changed from 0 to 100

rejecting as we've not received any repeat reports and meanwhile are using a much faster server.
