Related to Cellular Network Infrastructure - Bug #3369: no automatic testing ...	New 06/29/2018

History

#1 - 06/28/2018 07:57 PM - roh

- Subject changed from osmo-bts to osmo-bts(trx.. etc) debian packages should have some conflict to osmo-bts (old debian packages)

one can install the debian package 'osmo-bts' in parallel to the other osmo-bts components from the OBS generating confusion and not starting binaries (lib conflicts)

#2 - 06/28/2018 09:33 PM - laforge
