Added first TTCN3 test for t3169:

<https://gerrit.osmocom.org/c/osmo-ttcn3-hacks/+/15676> pcu: Introduce test TC\_t3169

##### #2 - 10/07/2019 09:47 AM - pespin

##### #3 - 12/23/2019 03:56 PM - pespin

We also have test for T3193 and other tests implicitly testing other timers too.

I think there must be a list of all timers to be covered by TTCN-3 test cases.

% Done changed from 0 to 50

... otherwise it looks like we only have two timers in OsmoPCU.
